1.1 BACKGROUND

The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (Regulations) seek to govern the conduct of insiders, connected persons and persons who are deemed to be connected persons on matters relating to Insider Trading.

Insider Trading involves trading in the securities of a company listed or proposed to be listed, by connected or any persons in possession of or with access to unpublished price sensitive information not available to the general public, who can take advantage of or benefit from such unpublished price sensitive information. Trading in securities by an 'insider' is regarded unfair when it is predicated upon utilisation of 'inside' information to profit at the expense of other investors who do not have access to the same information.

The Code of Conduct incorporates the amendments so as to align it with the new regulation i.e. the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 ("Regulations").
