Walmart's international business profit falls due to Flipkart

BENGALURU: The world's largest retailer Walmart has said that both gross profit and operating income in its international business fell, primarily due to Flipkart where it acquired 77% stake last year for \$16 billion. Walmart said that its international operating income fell 38% to \$790 million for the first quarter of the new financial year. Gross profit rate declined 172 basis points (100bps = 1 percentage point), the company said in a statement on Thursday.

"A large part of the decline was due to dilution from Flipkart, which was expected, partially offset by the deconsolidation of Brazil," said Walmart CFO Brett Biggs in a post-results statement. "The full-year earnings dilution related to Flipkart is still in line with expectations." Operating income fell by 9.9% and gross profits 116bps in the previous quarter ending January, the first full quarter when Flipkart results were consolidated in its business. After announcing the acquisition last year, Walmart had said that it is expected to incur a loss of \$0.60 a share, which translates into a total loss of \$1.8 billion for the financial year ending on January 31, 2020. The losses from the Flipkart buyout comes as Walmart reported its best first quarter in nine years, with share price of the Bentonville-based company increasing 3.3%. But the company continues to be bullish about prospects in India "I continue to be excited about the opportunity I see with Flipkart and PhonePe. I'm impressed with the team and their ability to innovate for customers with speed," added Walmart CEO Doug McMillon in the statement.

Ujjivan Small Finance Bank appoints Nitin Chugh as MD, CEO from Dec 1

New Delhi, Ujjivan Small Finance Bank, a subsidiary of the listed entity Ujjivan Financial Services, Friday announced the appointment of Nitin Chugh as its MD and CEO for a period of three years with effect from December 1, 2019. The Reserve Bank of India (RBI) has approved Chugh's appointment, Ujjivan Financial Services said in a BSE filing. "This appointment comes at the end of a succession planning process undertaken by the bank as the present tenure of Samit Ghosh as the MD and CEO of the bank will conclude on November 30, 2019 (the date of his attaining the age of 70 years)," the company said. Ujjivan Financial Services said the bank's board had proactively initiated the whole exercise of identifying the successor to Samit Ghosh well in advance to enable a smooth transition for his incoming successor. "Chugh will join the bank by August 2019 as president and will work closely with Samit Ghosh, existing MD and CEO, to ensure a smooth transition. Chugh will take charge of the position of MD and CEO of the Bank from December 1, 2019 upon retirement of Samit Ghosh," Ujjivan Financial Services added. The requisite approval from the shareholders of the bank will be obtained prior to his taking charge.
